The screenshot shows a design tool interface with a toolbar at the top. On the left is a 'TEXT' panel with options for font (Cabin), size (48), style (B, I, U), outline (Keine), color, curvature (Radius 10), spacing (150), and transparency (100%). Below the text panel are buttons for 'FORMEN', 'BILDER', 'CLIPARTS', and 'MEINE DESIGNS'. In the center, a PDF opening dialog box is displayed over a birthday card template. The dialog box title is 'Öffnen von standard-klappkarte.pdf' and it asks 'Sie möchten folgende Datei öffnen: standard-klappkarte.pdf'. It provides details: 'Vom Typ: PDF-Datei (284 KB)' and 'Von: http://flacapo.de'. It asks 'Wie soll Firefox mit dieser Datei verfahren?' and offers three options: 'Öffnen mit: Adobe Acrobat Pro (Standard)', 'Datei speichern' (selected), and 'Für Dateien dieses Typs immer diese Aktion ausführen'. There are 'Abbrechen' and 'OK' buttons. The birthday card template has a green top half with a white oval cutout, the text 'Happy Birthday' in a stylized font, and the number '30'. The bottom half is blue with white silhouettes of two people. A 'flacapo' logo and 'www.flacapo.com' are at the bottom left. On the right side of the interface, there are 'DOWNLOAD' and 'SPEICHERN' buttons, and the word 'Speichern' is written in orange below them.
